

BLUE BELT > RED STRIPE
THEORY REQUIREMENT

Training Secret:

1. To study the theory of power thoroughly
2. To understand the purpose and method of each movement clearly
3. To bring the movements of eyes, hands, feet and breath into one single coordinated action
4. To choose the appropriate attacking tool for each vital spot
5. To become familiar with the correct angle and distance for attack and defense
6. Keep both arms and legs bent slightly while the movement is in motion
7. All movement must begin with a backwards motion with very few exceptions. However, once the movement is in motion it should not be stopped before reaching the target
8. To create a sine wave during the movement by utilizing the knee spring properly
9. To exhale at the moment of each blow except a connecting motion
